CITY MONTESSORI SCHOOL   **LUCKNOW, UP, INDIA**
- High School (12th | ISC)   2020
  - Sciences (Physics | Chemistry | Mathematics) with Computer Science
  - Percentage: 93.4
- Middle School (10th | ICSE)   2018
  - Percentage: 92.8

PROJECTS

NEWSX   **WEBSITE | GITHUB**
- **React.js | MongoDB | ReactContext | ExpressJS | Vercel**
  - A full stack application powered by API's in which users can see the news of their choice with a breaking news carousel that shows latest world developments. It is hosted on vercel.

DevOverflow   **GITHUB**
- **NextJs | MongoDB | ReactContext | Typescript**
  - A full stack application made by the latest technology NEXT13 and Typescript. This project is under development and would be a one-stop solution for all developers to get their queries resolved. It would be powered by AI which would help in giving the answers. Clerkjs is used for authentication.

ShareMe   **GITHUB**
- **React | Tailwind CSS | Sanity**
  - A web application where user can share photos among each other. All the information is stored on the sanity database. It has a global search from where you can search for image. Authentication is done by google using google-o-auth.

E-FIR   **GITHUB**
- **Solidity | ThirdWeb**
  - A smart contract that would help users register their cases directly on the blockchain network. There would be an owner address that would manage the cases. It has two interfaces one for the people registering cases and the other for police officers reviewing them.

SKILLS

- **Programming Languages:** Javascript | Typescript | C++
- **Web Development:** React.js | Next.js | Redux | Tailwind | Sass | CSS | Express.js | Node.js | Bootstrap | Html Mongoose | Flask
- **Blockchain:** Solidity | Hardhat | Foundry | Ether.js
- **Databases:** MongoDB
- **Technologies:** Git | Github
- **Languages:** English | Hindi

ADDITIONAL INFORMATION

- **CERTIFICATION:**
  - The Complete 2023 Web Development Bootcamp
  - Decentralized Applications (Dapps)- Coursera
- **Achievements:**
  - Girl Script Summer of Code open source contributor
  - SOSS Contributor at Spheron Network,
  - Top 4% in academics at my university.
